

## Here Is What Some Of Your Colleagues Have To Say About The Healthy Kids Ohio Collaborative

"The HKO Collaborative has given my practice knowledge and tools to help us with prevention and treatment of pediatric obesity and generally promote a healthy lifestyle for our patients and families."

*Paul Korn, MD  
Landen Lake Pediatrics*

"The Collaborative has provided many tools to organize our team. Our practice has been able to implement very simple strategies that have helped our kids with weight problems and their families."

*Karla Ramirez, MD  
Butler County Community Health Consortium*

### Benefits of Participation

- Fulfill the new requirements for the American Board of Pediatrics Maintenance of Certification
- Learn from local and national experts in childhood obesity at local one day workshops
- Share lessons learned and best practices from colleagues
- Receive a comprehensive toolkit to assist your practice around childhood overweight/obesity
- Early intervention makes a difference!
- It's best practice!
